DESCRIPTION OF EFFORTS	
Please describe the types of assistance that your organization has provided to those affected by Hurricane Sandy.	<p>Catholic Charities, Diocese of Rockville Centre, has focused relief efforts on heavily impacted areas in Nassau and Suffolk counties, including Long Beach, Oceanside, Lindenhurst, Mastic, and others. Services are described below.</p> <ul style="list-style-type: none"> ò Catholic Charities operated a special needs shelter in preparation for and during the hurricane. ò The agency distributed donated supplies through local parishes in areas of need. ò Staff and volunteers conducted person-to-person outreach in affected areas immediately after the storm, distributing donated goods and informing survivors of services and benefits available. ò Direct assistance is provided through Catholic Charities' Disaster Relief Fund (DRF) to meet urgent and immediate needs of Long Islanders suffering severe hardship as a result of Hurricane Sandy. ò To address long-term needs, a team of disaster case managers works with Long Islanders recovering from the storm. Case managers reach out to people in impacted areas, assess their needs, develop collaborative recovery plans, and walk with their clients on their journey toward renewed stability. This program is funded through a grant from the Federal Emergency Management Agency (FEMA).
